NMEDA
NATIONAL MOBILITY EQUIPMENT DEALERS ASSOCIATION

October 14, 2014

Dear NMEDA Associate Member:

NMEDA is aware of the difficulties that some Associate Members face with funding in order to attend the NMEDA Annual Conference. In an effort to keep the Associate membership aware of the most recent changes in the mobility equipment industry the Becky Plank Scholarship Program was created in 2002. Two scholarships are awarded each year and the winners are selected by a drawing.

1. This scholarship is available to NMEDA Associate Members only.
2. The scholarship will include one registration fee and up to $750 for reasonable travel related expenses.
3. The scholarship must be used for expenses for the NMEDA 2015 Conference only.
4. Upon our receipt of your expenditures you will receive a check for reimbursement.
5. To apply for the scholarship you must complete the enclosed application and return to NMEDA by November 30, 2014.
6. The scholarship recipients will be notified by December 5, 2014.
7. The reason funding was denied by your agency must accompany this application.
8. You are only eligible to receive one scholarship every three years.

We are looking forward to an even bigger and better Conference in 2015 with more presentations geared toward the Associate members and an opportunity for more renewal points. Don't delay; submit your application as soon as possible because you could be one of the winners!

Sincerely,

Dave Hubbard
Executive Director/CEO
